Safety is a community effort that takes all of us working together. At Rocky Mountain Power, we're continuing to take steps to mitigate wildfire risks.

You can take action at home: Make a plan, create defensible space around your home, and plan for your family's needs in the event of an emergency. Consider a backup generator if you have medical equipment. Check your local emergency management or public safety website for more information on how to sign up for alerts. It's also important for you to update your contact information and sign up for alerts with us.

Visit our wildfire safety web page to prepare for wildfire season at [RockyMountainPower.net/WildfireSafety](https://RockyMountainPower.net/WildfireSafety).

### Seguridad y preparación

La seguridad es un esfuerzo comunitario que requiere la colaboración de todos. En Rocky Mountain Power seguimos tomando medidas para mitigar el riesgo de incendios forestales.

Aquí hay unos pasos para prepararse: Cree un plan, identifique un espacio defendible alrededor de su casa y prevea las necesidades de su familia en caso de emergencia. Considere la posibilidad de instalar un generador de reserva si tiene equipos médicos. Consulte la página web local sobre emergencias o seguridad pública para obtener más información sobre cómo inscribirse para recibir alertas. También es importante que actualice sus datos de contacto y se inscriba para nuestras alertas.

Visite nuestra página web sobre seguridad contra incendios forestales para prepararse para la temporada de incendios forestales en [RockyMountainPower.net/Listo](https://RockyMountainPower.net/Listo).

Keep your contact information current so we can reach you. Login at [RockyMountainPower.net](https://RockyMountainPower.net), create an online profile with your email address and mobile number, or call us with your updates at 1-888-221-7070.

On hot days, save money by setting your thermostat to 78 degrees. It's also best to limit appliance use during afternoon and early evening hours, when demand for electricity is high. Learn more at [RockyMountainPower.net/SummerCooling](https://RockyMountainPower.net/SummerCooling).

The Blue Sky program helps to build a better tomorrow by increasing demand for renewable energy, supporting local jobs and lifting communities. Join Blue Sky by visiting [RockyMountainPower.net/BlueSky](https://RockyMountainPower.net/BlueSky) or calling 1-800-769-3717.

When you provide a check as payment, you authorize us to use the information from your check either to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as we receive your payment and you will not receive your check back from your financial institution. If you would like to opt out of this program and continue processing your payment as a check transaction, please call 1-800-895-0561. If you have opted out previously, please disregard this message.
